Gaetan has been practicing law since graduating from the University of Ottawa in 1987. He has a Bachelor's Degree (Honours) in Geography and Planning from the same University. He is a member of The Society of Trust & Estates Practitioners. Immediately after law school Gaetan began his career in Toronto with a large Bay Street firm, where he focused in the areas of Wills & Estates, Corporate-Commercial and Real Estate Law. In 1996 Gaetan returned to Ottawa to set-up a full-service private practice with the idea of providing more personalized service to his clients.

As the firm's founder, Gaetan oversees the firm's strategic direction, guiding AGBL's employees in the use of a client-focused, holistic approach that identifies both the business and personal aspects of a client's needs. A key member of the legal team, Gaetan manages the Estate Administration, Will Planning and Real Estate departments and provides mentoring for junior lawyers.

His practice today focuses on estates. Estate Planning with clients to maximize objectives and minimize taxation and costs, typically focused on wills, financial powers of attorney, trusts, and personal care directives and personal powers of attorney/living wills. Estate Administration, focused on assisting clients with empathy and understanding as they deal with all aspects of the estate and affairs of someone who has passed away.
